

2020 INTERCOLLEGIATE SPORT REPORT

GENERAL

One poignant moment in particular stands out in my mind as I look back on the Intercol Sport year that was. Watching the Rawson Cup cricket final at St Paul's Oval in a nail-biter of a match between St John's and St Andrew's on a clear, sunny day in March, glancing up to the sky to see a plane writing the following words: "WASH HANDS". I don't think the magnitude of what was coming was understood by anyone at that time.

The next planned event was Rosebowl netball. We were all set to go, then the night before the first fixtures we received the news: All Intercol sport for 2020 is postponed until further notice. By then, the reality of the situation had kicked in. Fast forward to November 2020 and I can proudly report that a year of Rawson and Rosebowl competition has been completed, and as usual it produced stellar performances from all involved.

The presence of COVID meant that modifications needed to be made in order to get through a full program of events. The College Heads collectively decided that in order to fit all sports in, playing times would be halved. When the draft schedule of events was released in May, it seemed like an impossibility to achieve them all. But with hard work, cooperation and some very fortunate weather conditions, SUSF and the Intercollegiate Sports Committee made it happen.

COVID safety plans were drawn up and followed for each venue (internal and external) and for each stand-alone event. Adjusting to the new way of participating in and spectating sport was always going to take some getting used to. But convenors, competitors, external venue hirers and spectators alike approached the situation with maturity and understanding. If there was one positive aspect to come out of COVID, it was the introduction of livestreaming the events. For the first time in the history of the competition, family members and residents alike could tune in and watch the action from the comfort of their homes and common rooms. The initiative was received positively, and will most likely remain a permanent feature of the tournament going forward.

This year the Rawson Cup spoils were shared between the joint winners of St Paul's and St Andrew's Colleges. This tight finish came down to the last event on the sporting calendar in the final rugby match between the two Colleges – a fitting finale to an incredible year. In the Rosebowl competition, the St Andrew's women were again victorious, winning every event except for Tennis. Special mention must be made of the Drew's Women's VIII who set a new Rosebowl course record at the Sydney international Regatta Centre.

Unfortunately, due to COVID restrictions and time restraints, we were unable to facilitate many social sporting events this year. We were lucky enough to fit in the Women's Rugby 7s event which is growing in popularity each year. We will ensure to put a strong focus on bringing the social sport back on the calendar in 2021 through the inclusion of Touch Football, AFL 9s, the All Stars Basketball fixture and, of course, Women's 7s.

I'd like to take this opportunity to thank the Intercol Sports Committee for their hard work this year. 2020 was a challenging year in the world of sports admin, and I'm sure we can all agree that we're happy to bid it farewell. All Committee members should be proud of their stellar efforts in getting the competition up and running. It simply wouldn't have happened without their dedication and cooperation. As always, the SUSF playing fields were in immaculate condition. Thank you also must go to Daryl Davidson and his team of committed grounds staff for providing exceptional playing conditions considering the time constraints.

Despite its setbacks, 2020 has now equipped us all with the skills to accept any challenge head-on with the assurance that we can deliver the best result possible. I'm sincerely looking forward to working with the newly appointed Committee in 2021. I feel that any problems we encounter will seem like a breeze in comparison.

Incidents/Recommendations for 2021:

- We were very lucky with the weather this year. The scheduled “final” date was touch and go all day, with a number of interruptions during play. Fortunately, we were able to get a result.
- From a scheduling perspective, holding the third “final” fixture on Uni #1 Oval would be ideal. It would be regarded as a neutral venue, there is a fully licensed bar in the Grandstand Bar & Grill, and it would be an honor for the participants to experience playing on one of the University’s most prestigious grounds. It is set up to hold more spectators, and overall would be a far greater on-campus experience for all involved.
- For future years I would recommend the changing of any washed-out games to move to T/20 format so that there is less impact on sessions missed. Currently T/20’s are not an option unless agreed on by both captains pending the situation on the day and this becomes time consuming.

Incidents/Recommendations for 2021:

- Feedback from the umpires was that the spectators were the best behaved in recent memory. All chanting and banter was delivered in good spirits.
- Security guards were not used at all this year. There was no evidence of any alcohol being brought into the facility.
- We strongly recommend that there is a first aid responder presence for all Rosebowl netball fixtures going forward.

Incidents/Recommendations for 2021:

- Food was brought in externally by a few of the colleges. This was frowned upon by SOPAC staff. Food & bev may only be purchased from outlets within the premises.
- Security guards were not used this year. There was no sign of alcohol being brought into the facility.
- Diving was again rather disorganised. We continue to recommend that swimming/diving secretaries submit diving selections well before the competition date. Choosing there and then slows down the process.
- Ensure the results room is aware of the difference between Rawson & Rosebowl. They must be issues with the carnival program before the event commences.

Incidents/Recommendations for 2021:

- Lanes were allocated from closes to the finishing tower which reduced confusion.
- Ensure there is a nominated boat driver from one of the Colleges in advance.
- A coxswain came in underweight. A few river rocks were an ideal solution.
- Bow numbers should be implemented from now on to aid finishing tower and starter staff.

Incidents/Recommendations for 2021:

- Continue to schedule a spare week in Week 13 to allow for wet weather back-up date in the case of rain during finals.
- Continue to warn committee and college players of sanctions prior to event to minimise offences.
- Recommendation for all colleges to liaise with the Sydney Uni Rugby Club to ensure forwards are adequately trained in the lead up to the tournament.
- Remain a sanctioned event for safety of players and referees.
- All teams need to be reminded to warm up off Oval 2 for finals and allocated an alternate warm up area in advance if needed.
- Ensure draw is circulated to SUFC well in advance to create a playing schedule that ties in nicely with the Shute Shield draw to maintain player welfare and recovery.

Incidents/Recommendations for 2021:

- The extra time and penalty systems were scrapped this year. We advise to maintain this going forward. It makes it easier to run on time and budget for officials appropriately.
- A number of Rosebowl soccer captains requested that their game lengths be the same as the Rawson fixtures. This is to be decided by the College Heads.

Incidents/Recommendations for 2021:

- Continue with security presence and bag checks on final nights to keep issues to a minimum.
- As with other events, it would be recommended that college staff attend all matches to ensure student spectators are maintaining the Intercol Code of Conduct and inappropriate comments and behavior is minimised. Having said this, the general behavior of the crowd was acceptable across the board.

Incidents/Recommendations for 2021:

- Behavior from the "Ball Boys" Andrew's supporters reached an unacceptable level. The tradition has now been banned going forward.
- We had an instance of team sheets being changed after viewing the opposition team sheet. Captains need to submit teams in advance and not change them after becoming aware of the opposition teams.
- COVID-19 meant a modified scoring format. The "first to 3 games" system was not well received by team captains. This will be reviewed in case similar modifications need to be made in the future.

Incidents/Recommendations for 2021:

- Continue to engage Sydney Uni Athletic Club again to officiate the event.
- Commentary from college rep was professional and all volunteers who turned up did a great job to ensure the event ran well.
- Ensure mics from the commentary room are tested before the event commences.
- Emphasise to College reps that external food is not permitted at the venue.
