## Schedule

### 1. Program Recap

- Welcome to Intramural Sporting in 2021. Introduce selves.
- Alex Cusack (SUSF Competitions Manager) and Jack Thomson (Intramural Programs Sponsor) are the points of contact regarding the Intramural Sporting Competition.
- Darlo Bears are leading the Men's and Women's Competitions after their win at the Welcome Week Shield and strong performances at Futsal. They are narrowly followed by Regiment and St John's College.

### 2. Updates In 2021

- All residences are expected to have 'uniforms' for their teams by the 2<sup>nd</sup> competition of 2021 (Touch Football, 1<sup>st</sup> May). It is preferred that the uniforms have numbers on the back for identification purposes. Failure to wear uniforms after the above date will result in a 1-point deduction for both the Male and Female team of that residence.
- Sports representatives are expected to reply to all contact within the 3 business days. Failure to do so will result in an attempt to contact them via mobile phone. Should contact still not be made, the Head of Residence will be contacted.
- All relevant information needed to captain can be found on the SUSF Intramural Sports Website, including:
  - Intramural Constitution
  - SUSF Sporting Code of Conduct
  - Participation Statements.
  - Intramural Calendar (meetings and sports)
  - A3 posters with relevant SUSF sporting programs

### 3. Next Sport – Touch Football

- Touch Football will be held on Saturday 1<sup>st</sup> May from 11:30am at the Square. Orientation will begin at 11am.
- Touch Football will be run in pools format, which were selected randomly. Each residence will need to provide one team, a mix of male and female players.
- A minimum of 5 players can be fielded without incurring a forfeit (3 men and 2 women or 3 women and 2 men). There must be always a 50/50 split of Men and Women on field, with a maximum of 8 players being fielded (4 men and 4 women) at any time.
- Rules – Games will be following the Touch Football Rules (8<sup>th</sup> Edition).
- One (1) point is awarded for a try. In this mixed competition, if a female player scores a try, that team shall receive two (2) points.
- Games will conclude after 2 x 13-minute halves with a 2-minute break between halves have been played. The team with the highest score after these halves are played has won that match.
- Each team must provide a score keeper for their game.
- I have asked the referees to hold a quick info session in the 'Orientation' period before we get started.

#### 4. Facebook & Website

- All information you need is on the Intramural Website and it is where SUSF will be updating schedules, programs, etc. so keep an eye on it.
- The Facebook page also will have events added and can help you promote your event to students.
- 2021 Intramural Sports Representatives Facebook Group to be made?

#### 5. 2022 Sports Ideas

- SUSF will send out a survey at the end of the year to gauge feedback on the competition and to get an idea of what sports your residents would like to play in 2022.
- Please keep any ideas in your head as we will decide the sports for 2022 in the final meeting for the year on Tuesday 19<sup>th</sup> October.

### **Next Meeting**

The next Meeting is scheduled at 6.30pm on Tuesday 20<sup>th</sup> April via Zoom Conferencing to recap the Intramural Touch Football Competition and prepare for the Badminton Competition. The full schedule is available at the bottom of the Intramural Page on the SUSF website along with all the material you all need to captain!!

The Intramural Awards Night will take place on Tuesday 27<sup>th</sup> October from 6pm.
