## Schedule

### 1. Program Recap

- Welcome to Intramural Sporting in 2022. Introduce selves.
- Alex Cusack (SUSF Competitions Manager) and Jack Thomson (Intramural Programs Sponsor) are the points of contact regarding the Intramural Sporting Competition.
- Darlo Bears are leading the Men's and Women's Competitions after their win at the Welcome Week Shield. They are currently sitting on 5.5 points for each competition, narrowly followed by Sydney Uni Village.

### 2. Updates In 2022

- All residences are expected to have 'uniforms' for their teams by the 2<sup>nd</sup> competition of 2022 (Touch Football, 7<sup>th</sup> May). It is preferred that the uniforms have numbers on the back for identification purposes. Failure to wear uniforms after the above date will result in a 1-point deduction for both the Male and Female team of that residence.
- Sports representatives are expected to reply to all contact within the 3 business days. Failure to do so will result in an attempt to contact them via mobile phone. Should contact still not be made, the Head of Residence will be contacted.
- All relevant information needed to captain can be found on the SUSF Intramural Sports Website, including:
  - Intramural Constitution
  - SUSF Sporting Code of Conduct
  - Intramural Calendar (meetings and sports)

### 3. Next Sport – Futsal

- Futsal will be held on Saturday 26<sup>th</sup> March from 10:00am at SUSAC. The finals will be held on Saturday 2<sup>nd</sup> April at the same location, fixtures will go online in the next few days.
- Futsal will be run in pools format, which were selected randomly in separate Men's and Women's competitions. Futsal is a 5 a side sport, with a minimum of 3 players on field to not incur a forfeit. There are no maximum players.
- Rules – Games will be following FIFA rules, however, will conclude after 2 x 12-minute halves with a 2-minute break between halves have been played. The team with the highest score after these halves are played has won that match.
- Each team must provide a score keeper for their game.
- I have asked the referees to hold a quick info session in the 'Orientation' period before we get started.

### 4. Facebook & Website

- All information you need is on the Intramural Website and it is where SUSF will be updating schedules, programs, etc. so keep an eye on it.
- The Facebook page also will have events added and can help you promote your event to students.
- 2022 Intramural Sports Representatives Facebook Group to be made?

5. 2023 Sports Ideas

- SUSF will send out a survey at the end of the year to gauge feedback on the competition and to get an idea of what sports your residents would like to play in 2023.
- Please keep any ideas in your head as we will decide the sports for 2023 in the final meeting for the year on Tuesday 25<sup>th</sup> October.

**Next Meeting**

The next Meeting is scheduled at 6.30pm on Tuesday 19<sup>th</sup> April via Zoom Conferencing to recap the Intramural Futsal Competition and prepare for the Touch Football Competition. The full schedule is available at the bottom of the Intramural Page on the SUSF website along with all the material you all need to captain!!
