Schedule

1. Program Recap

- Welcome to Intramural Sporting in 2022. Introduce selves.
- Alex Cusack (SUSF Competitions Manager) and Jack Thomson (Intramural Programs Sponsor) are the points of contact regarding the Intramural Sporting Competition.
- Iglu are leading the Women's competition on 13 points and Sydney Uni Village as are leading the Men's competition on 12.5 after their respective wins in the futsal competition.

2. Updates In 2022

- All residences are expected to have 'uniforms' for their teams by the 2nd competition of 2022 (Touch Football, 7th May). It is preferred that the uniforms have numbers on the back for identification purposes. Failure to wear uniforms after the above date will result in a 1-point deduction for both the Male and Female team of that residence.
- Sports representatives are expected to reply to all contact within the 3 business days. Failure to do so will result in an attempt to contact them via mobile phone. Should contact still not be made, the Head of Residence will be contacted.
- All relevant information needed to captain can be found on the SUSF Intramural Sports Website, including:
 - Intramural Constitution
 - SUSF Sporting Code of Conduct
 - Intramural Calendar (meetings and sports)

3. Next Sport – Touch Football

- Touch football will be held on Saturday 7th May from 10:30am on the Square, located behind the Arena sports centre. Orientation will begin at 10:00am.
- Touch Football will be run in pools format, which were selected randomly. Each residence will need to provide one team, a mix of male and female players.
- A minimum of 5 players can be fielded without incurring a forfeit (3 men and 2 women or 3 women and 2 men). **There must be always a 50/50 split of Men and Women on field, with a maximum of 8 players being fielded (4 men and 4 women) at any time.**
- Rules – Games will be following the Touch Football Rules (8th Edition).
- One (1) point is awarded for a try. In this mixed competition, if a female player scores a try, that team shall receive two (2) points.
- Games will conclude after 2 x 13-minute halves with a 2-minute break between halves have been played. The team with the highest score after these halves are played has won that match.
- Each team must provide a score keeper for their game.
I have asked the referees to hold a quick info session in the 'Orientation' period before we get started

4. Facebook & Website

- All information you need is on the Intramural Website and it is where SUSF will be updating schedules, programs, etc. so keep an eye on it.

- The Facebook page also will have events added and can help you promote your event to students.
- 2022 Intramural Sports Representatives Facebook Group to be made?

5. 2023 Sports Ideas

- SUSF will send out a survey at the end of the year to gauge feedback on the competition and to get an idea of what sports your residents would like to play in 2023.
- Please keep any ideas in your head as we will decide the sports for 2023 in the final meeting for the year on Tuesday 25th October.

Next Meeting

The next Meeting is scheduled at 6.30pm on Tuesday 9th August via Zoom Conferencing to recap the Intramural Touch Football Competition and prepare for the Netball Competition. The full schedule is available at the bottom of the Intramural Page on the SUSF website along with all the material you all need to captain!!
