OPERATING RULES

The tournament will be conducted in accordance with the Touch Football Rules as adapted from the Touch Football Rules (8th Edition). These rules can be found via the Intramural Sport webpage, <https://susf.com.au/intramural-sport/>

Each residence will need to provide one team, a mix of male and female players. Teams must consist of minimum of 5 players with no maximum number of members. A minimum of 5 players can be fielded without incurring a forfeit (3 men and 2 women or 3 women and 2 men). There must be a 50/50 split of Men and Women on field at all times, with a maximum of 8 players being fielded (4 men and 4 women) at any time.

Games will be 7-minute halves with 2 minutes half time. This will be extended in the event of forfeits or a re-issue of the fixtures. In the event of team forfeits, a point deduction will apply, and team captains will need to consult the SUSF event coordinator for new fixtures.

One (1) point is awarded for a try. In this mixed competition, if a female player scores a try, that team shall receive two (2) points.

POINT SCORING

Teams will be awarded 3 points for a win, 2 points for a draw and 1 point for a loss. No points will be rewarded if a team is unable to be furnished. The final placings shall be awarded according to the aggregate of points accumulated by each residence. In the event of a tie at the end of pool games, placings will be decided on a 'for and against' goal count.
