Medical Conditions / Additional Support

If your child has been diagnosed by a doctor as having a medical condition (i.e. asthma, anaphylaxis, epilepsy etc.) or requires additional support from us, it's essential that SUSF are informed. All parents enrolling a child with a medical condition must refer to the [SHP Medical Conditions Policy](#).

All medication must be declared and signed in and out by an authorised adult each day. Medication should be in its original packaging and clearly labelled with the student's name, correct dosage and frequency. Any parent/guardian leaving medication for use by their child over the camp period must complete a [SHP Medical Authorisation Form](#) and present this with medication at the camp registration desk.

Any child registered with learning difficulties MUST provide SUSF with information relating to those learning difficulties relevant to the successful inclusion of their child into the School Holiday Program.

If your child falls ill whilst attending a School Holiday Sport Camp, you will be notified as soon as possible by a member of staff. We ask that any child who is not well enough to participate in normal daily activities or presents with symptoms of illness, should be kept at home.
