## Schedule

### 1. Program Recap

- Welcome to Intramural Sporting in 2023. Introduce selves.
- Alex Cusack (SUSF Competitions Manager) and Sally Doherty (Intramural Programs Sponsor) are the points of contact regarding the Intramural Sporting Competition.
- Scape are leading the Men's and Women's competition after their great attendance and efforts at the Welcome Week Shield.

### 2. Updates In 2023

- All residences must ensure participants wear 'uniforms' when participating for their team in the Intramural competition.
  - These uniforms have been purchased in previous years → If you have trouble locating them, please ask your residences staff.
  - It is preferred that the uniforms have numbers on the back for identification purposes. Failure to wear uniforms after the above date will result in a 1-point deduction for both the Male and Female team of that residence.
- Sports representatives are expected to reply to all contact within the 3 business days. Failure to do so will result in an attempt to contact them via mobile phone. Should contact still not be made, the Head of Residence will be contacted.
- All relevant information needed to captain can be found on the SUSF Intramural Sports Website, including:
  - Intramural Constitution
  - SUSF Sporting Code of Conduct
  - Intramural Calendar (meetings and sports)

### 3. Next Sport – Futsal

- Futsal (Rounds) will be held on Friday 24<sup>th</sup> March from 5pm at the Sydney Uni Sports and Aquatic Centre (SUSAC). Orientation time TBC.
- Futsal (Finals) will be held on Saturday 1<sup>st</sup> April from 10am. Only teams that progress to the finals need to attend.
- Futsal will be run in pools format, which were selected randomly in separate Men's and Women's competitions. Futsal is a 5 a side sport, with a minimum of 3 players on field to not incur a forfeit. There are no maximum players.
- Rules – Games will be following FIFA rules, however, will conclude after 2 x 12-minute halves with a 2-minute break between halves have been played. The team with the highest score after these halves are played has won that match.
- Each team must provide a score keeper for their game.
- I have asked the referees to hold a quick info session in the 'Orientation' period before we get started.
- Formal RSVP due at 10am Monday 20<sup>th</sup> March and formal team list submission due Wednesday 22<sup>nd</sup> March at 10 am. Email these to [a.cusack@sport.usyd.edu.au](mailto:a.cusack@sport.usyd.edu.au).

4. Facebook & Website

- All information you need is on the Intramural Website and it is where SUSF will be updating schedules, programs, etc. so keep an eye on it.
- The Facebook page also will have events added and can help you promote your event to students.
- 2023 Intramural Sports Representatives Facebook Group to be made?

5. 2024 Sports Ideas

- SUSF will send out a survey at the end of the year to gauge feedback on the competition and to get an idea of what sports your residents would like to play in 2024.
- Please keep any ideas in your head as we will decide the sports for 2024 in the final meeting for the year on Tuesday 24<sup>th</sup> October.
