

This year, the Sydney Uni Sport intramural sports program thrived, fostering community and healthy competition among students. With many teams and participants across various sports, our events brought together students from diverse backgrounds. Participating in and attending intramural events fosters a sense of pride in the university. It cultivates a vibrant campus culture, promoting unity among students and enhancing the overall university experience.

In 2024 we hosted popular leagues in futsal, Oz-Tag, basketball, and volleyball each with exciting matches and passionate players.

We celebrated outstanding athletes and teams during our annual awards ceremony, with awards presented to deserving recipients.

The Intramural program not only promoted physical fitness but also strengthened bonds among students, fostering a sense of belonging and school spirit. We look forward to another successful year ahead!

* 3 Points for a win, 2 points for a draw, 1 points for a loss, 0 points for a forfeit.

** WOF = +5 and LOF = -5 for scores.

*** Final rankings are decided upon by total team points. In the event of even team points, rankings will be decided on by score difference (points for/against).

Welcome Week Shield – Results

Saturday 17th February 2024, The Square

The 2024 Welcome Week Shield proved to be successful in terms of participation and engagement. There were 60-70 participants overall, with people still arriving towards the end of the day. The day was comprised of assorted activities (egg + spoon, sack races, running races, beer-less pong and three-legged races), Arrow Tag, KickN’ Darts, Snookball and Tug of War.

The participants were provided with coloured wristbands upon arrival and were grouped together based on their residence. Throughout the games/activities, the students stayed in their residences to make teams for the most part, however there were instances where people would have to jump into another team due to discrepancies in numbers. Because the Welcome Week Shield was presented to the residence with the most participants (and not who won), this didn’t affect the outcome at all. Everyone who participated in the games were awarded a point.

Overall Winners –

Thomas Whalan Cup - Thomas Whalan was an influential figure in Australian sports, particularly known for his contributions to water polo as an Olympian. He served as a coach and mentor, helping to develop young athletes and promote the sport. His dedication to fostering talent and enhancing the sporting community has left a lasting legacy, which is honoured through the Thomas Whalan Cup. We give this award to the overall winner for men's sports. For this year's winner, we have a tie, **Scape and IGLU.**

Liane Tooth Cup - Liliane Tooth is four-time hockey Olympian and an advocate known for her contributions to women's sports. She has been involved in promoting and supporting female athletes and has played a significant role in enhancing opportunities for women in sports at various levels. Her legacy includes fostering inclusivity and recognition for women's achievements in athletics. To emulate the same vigour for sports, we have named the overall winner for women's sports after her. For this year's winner, we have **Scape.**
