# BLUES ASSOCIATION

The Sydney University Blues Association (SUBA) is a voluntary group, open to all Blue and Gold recipients. SUBA exists to raise funds for 'Blues' sporting scholarships and holds reunion functions for past Blue and Gold recipients throughout the year. It aims to maintain the traditions and keep recipients in touch with each other, their sporting clubs and the University.

A Blue is earned by sportsmen and women who are studying at the University of Sydney, competing at the highest level and have achieved outstanding sporting achievement throughout the year.

The first known Blue was awarded to Dr Lloyd Kevern Whitten in 1936 for Swimming, since then there has been 1,461 students awarded University Blues for their sporting achievements, including the 24 awarded this evening.

University Golds are awarded in recognition of outstanding and sustained service to Sydney Uni Sport or to one of our Sporting Clubs over a period of at least seven years. As of this evening there are now 190 University Gold recipients, first being awarded in 1980.

On behalf of SUBA, I wish to congratulate the 2024 Blues on your academic and sporting achievements and wish you well in your future endeavours. Congratulations also to this year's Gold recipients and thank you for your tireless support of Sydney Uni Sport, our sporting clubs and athletes.

You can see the full list of Blues and Golds by scanning the QR code below.

More information on the Pin Function as well as all other SUBA news will be shared via the quarterly newsletter - Blues News. Look out for it in your mailbox.

I hope you enjoy your evening.

# THE VARSITY

Grads and undergrads and fellows,  
Gaudy profs in reds and yellows,  
Sing with lungs as tough as bellows  
To our 'Varsity.

Some of us are mining,  
Some in arts reclining,  
More and more  
Attack the law  
And revel in its methods of refining;  
Some are fools and some are clever  
Faculties divide and sever,  
Still we all belong forever  
To our 'Varsity.

Varied are the tastes of students,  
Varied our degrees of prudence,  
Very varied our amusements,  
At our 'Varsity.

We shall soon be scattered,  
Friendships maybe shattered,  
Some, or all

Will grope or crawl,  
And get up very knocked about and battered.  
Some are hung and some are married,  
Some for years in gaol have tarried,  
Still they are all members of the  
Same old 'Varsity.

Up the Students!
