

## 2013 INTERCOLLEGIATE SPORT REPORT

### GENERAL

---

2013 was an excellent year of intercollegiate sport from an administrative and competitive perspective. Key to the ongoing success of Intercollegiate sport are the continued support of SUSF clubs, the SUSF grounds department as well as an enthusiastic and supportive Intercol Committee, Council and college community. The logistics and operations of each event were good, with no major administrative issues experienced on the various match days. The Intercol community did face some significant challenges off the field in particular in regards to spectator behavior, which was managed by the Intercol committee, council and tribunal. The swimming carnival also had to be changed last minute due to the facility being double booked.

However, the overall level of competition between the colleges was extremely strong and tighter than seen in previous years. Congratulations to St. Andrew's College for winning both the Rawson and Rosebowl competitions for the fourth year in a row.

Other than the Rawson and Rosebowl sports, a number of social sports are played. AFL and Touch Football made a return in 2013 and the annual Sydney Uni Cricket Club (SUCC) XI v Intercol XI Twenty/20 Cricket match won by SUCC, continue to be successful events.

The year was rounded out with the Intercol Sports Dinner held at Wesley College. James Larkin (St. Andrew's College) was named Convenor of the Year for Tennis; Dani Lotzof (Women's College) was named Sportswoman of the Year; and Cameron Beech (St. John's College) was named Sportsman of the Year.

#### Recommendations for 2014:

- Provide appropriate First Aid coverage at ALL high impact events.
- Sport marshalls/representatives to be present at each event for monitoring and disciplining spectator behavior at events alongside the SUSF delegate, to be recommended and enforced by Intercol.
- Continue with the recommendation of fines on individuals and colleges for breaches of the Alcohol Policy or code of conduct at Intercol events.
- Increased promotion of and opportunities for social and participation focused sporting events.

Held at Cintra, the competition and spectator behaviour was of high quality, with the staff very happy with the booking. The biggest challenge was getting access to suitably qualified umpires for the tournament. More time is required to source these umpires.

## SOCCER

2013 saw the second official year of Rosebowl Soccer. Soccer proved once again to be one of the closest fought events, and fortunately very few matches were decided by penalties. Unfortunately, there was a high incidence of injuries in the Rosebowl competition with three (3) serious injuries occurring. St John's Ambulance First Aid support should be supplied for both competitions.

**Recommendations**

- Rosebowl games not to be ‘warm up’ games to Rawson.
- Morning starts (8:30am) to be shared between Rosebowl and Rawson in future competitions.
- Length of time for games, in particular Rosebowl, to be discussed at the Intercol Committee level. Rawson currently play 45 minute halves and the Rosebowl is on 25 minute halves - is this equitable?
- First Aid provided at ALL games, not just Rawson.

## TENNIS

This year Intercol Tennis was blessed with great weather, with no matches being affected. Our first Rawson Tennis day saw very tight competition between Paul's & Wesley with the competition spilling over to a second day.

The convenors of the Rosebowl and Rawson events did a great job, shouldering a lot of the responsibility for coordinating teams, captains and results.

## BASKETBALL

The Basketball competition was played in the new SUSAC facility in 2013, which was a perfect environment for this type of competition. The set up of the venue was very good, with adequate room for spectators and players, including the use of the grandstand. The matches were moved back to the evening in 2013 which saw large spectator groups. Both Rawson & Rosebowl were exceptionally competitive with a number of matches decided by play in the final quarter. The final match between Andrew's & Wesley (Rosebowl) and John's & Paul's (Rawson) was absolutely spectacular and a great way to finish the competition.

## ATHLETICS

The final event of 2013 was held at Sydney Olympic Park, with another successful event with great support from the Intercol Committee. The officials on hand did a great job, and ensured a smooth carnival. An additional jump official will be useful in future years.

### **Recommendations**

- Ensure SOPAC are ready for our arrival, with all equipment and marquees ready to go.
- Have an extra jumps official, as these events take the longest.
- Have a volunteer coordinator, especially for coordinating the relay volunteers and field events. Walkie talkies were a good option, and we should have one at each changeover point for relays.
- Have 2 MCs – one inside with points & monitoring crowd; one on the finishing line giving marshalling announcements. Ensure Microphones are available.
