

2022 INTERCOLLEGIATE SPORT REPORT

GENERAL

The 2022 Intercol Sporting calendar resumed to the traditional schedule for the first time since COVID changed the landscape on how the events were delivered. Spectator numbers returned to maximum capacity, and with this came an unprecedented fervour and passion for the prestigious Rawson and Rosebowl tournaments. Despite this, the year didn't unfold without its challenges. Along with some unwelcome National Tertiary Education Union demonstrators at the Soccer Finals, La Nina was the primary 2022 headache that had to be dealt with, bringing record levels of rainfall that affected all outdoor sports to some degree.

Despite the absolute best efforts from the SUSF Grounds Team, we were unfortunately unable to complete this year's Cricket Tournament. Some of the hockey fixtures were played in torrential conditions. St Paul's and St Andrew's Ovals were torn to shreds during the rugby campaign. And by sheer luck, we were just able to get results for both Tennis tournaments with a combination of the Manning Lawn and synthetic Aquatic Centre courts. As with the curveball that COVID threw at us the previous two years, the weather in 2022 tested the adaptability, flexibility and organisational skills of the SUSF Programs team and the 2022 Intercol Sports Committee. As always, I'd like to extend my thanks to the Committee for their patience, assistance and commitment throughout the year. The events simply wouldn't happen without the help of the relative convenors.

Great Big Events (GBE) again provided the livestream gear this year. It needs to be stated that the quality of the livestream service needs to improve. By no means is this a criticism of GBE. They provide state-of-the-art equipment and exceptional troubleshooting customer service. However, the College resident volunteers that operate the equipment need to develop their skills. The commentators have great fun, and provide insightful and humorous content, but the camera operators are unfortunately consistently sub-standard. It goes without saying that this takes away from the viewing experience. The poor camera work also compromises the SUSF brand as it is viewed and archived through the SUSF TV platform. Future Intercol Sports Committees need to incentivise volunteers to do a better job. Alternatively, we can consider outsourcing this responsibility at an additional cost. SUSF firmly believes the livestreaming of Intercol Sport should remain, but the standard must improve. To this end, SUSF has installed a Pixelot camera over the show court which will follow the play for Netball and Basketball next year and can hopefully improve the viewing experience.

Congratulations must go to St Andrew's College for winning the Rawson Cup and Rosebowl competitions this year. Fittingly, St Andrew's hosted the Annual Intercol Sports Awards Dinner after a two-year hiatus, also marking Principal Wayne's Erickson's final year in charge of the sportspeople in sky-blue & white. The silverware collection with Wayne at the helm has certainly been impressive and will no doubt be hailed as a golden era for St Andrew's Intercollegiate sport. A special mention must also go to the men from St John's College, securing their first trophy in 3 years after winning the Rawson Cup Tennis.

Intercollegiate Social Sport was back on the calendar again in 2022. In Semester 1, St Andrew's College hosted a memorable Women's 7's event to commemorate 20 years of undergraduate women in sport. St John's College then hosted an equally successful Women's 7's competition on their grounds in Semester 2. The male residents enjoyed an Aussie Rules series which saw the final round played under "Friday Night Lights" on Oval #1. While St Paul's and Women's Colleges held a social Touch Football competition day.

2023 promises to be another exciting year as St Paul's College welcomes undergraduate girls into their residential walls and, with that, we expect to see the Rosebowl competition continue to grow in strength and contestability.

This will be my final year in heading up the SUSF Programs & Participation department and running point on the Intercollegiate Sport Program. I want to take this opportunity to sincerely express what an honour it has been to be part of such a prestigious and historic competition. My team and I receive valuable job satisfaction in knowing that we contribute to building the rounded education of all College residents, ensuring they form positive and long-lasting memories of their time on campus. Thanks to all the College Heads who have provided guidance and advice along the way, Daryl Davidson and his forever hard-working grounds team, and of course Ed Smith, (CEO of SUSF) for his confidence in me to manage and shape the program into what it is today.

Incidents/Recommendations for 2023:

- Unfortunately, bad weather caused serious havoc for the tournament this year. We even tried to find dates at the back end of the year to reschedule, but the SUSF Grounds Team couldn't get enough dry weather to prepare decks in time for the Awards Dinner. Nevertheless, we were able to acknowledge Paul's and Andrew's as joint winners as well as award an MVP for the event.
- We introduced the white ball for the first time in the event's history. This was well received and SUSF recommends this remains a permanent inclusion.
- At the time of writing this report the ground use agreement with St Paul's remains uncertain. SUSF hopes that we can continue to use the ground for Rawson Cricket events.

Incidents/Recommendations for 2023:

- It has been identified that organising 2 umpires per fixture date is a liability. SUSF advises that going forward 3 umpires should be scheduled on, so a back-up is available if required. If St Paul's participate in the competition in 2023 then umpires will need to rotate through three fixtures to avoid fatigue. This additional umpire has been accounted for in the 2023 Intercol Budget.
- Colleges need to be reminded that it is a requirement to supply a scorer for each fixture.
- Crowd behaviour was exceptional this year.
- SUSF recommends that St John's Ambulance first aid responders present at all netball events going forward.

Incidents/Recommendations for 2023:

- The start of the carnival was slightly delayed due to the late arrival of a couple of competitors. This didn't have too much of an impact on the evening overall.
- At one stage there were technical difficulties with the timing equipment. The disruption lasted about 20mins. It is understandable that these things happen. SOPAC staff were helpful and as efficient as possible in resolving the issue.
- Result room volunteers were an improvement on the previous year.

Incidents/Recommendations for 2023:

- Continue to allocate lanes from closest to the finishing tower.
- Bow numbers for the boats are not necessary.
- Volunteers arrived late which meant the first race had to be delayed. It doesn't have a huge impact on the day, however officials are left waiting and the livestream is operating without any action to show. It is important to express to the convening College that volunteers should be there at least 30mins prior to the first race for the event to remain punctual.

Incidents/Recommendations for 2023:

- Injuries tend to be common at Hockey. SUSF recommends that St John's Ambulance are present and included in the budget for 2023.
- Umpires have requested for a pay increase to \$60 per game for 2203. This is in line with the award rate and has been factored into the 2023 budget.
- The Bruce Pryor Hockey Field is a suitable venue. There is a significant saving on facility hire. Spectator numbers were down on previous years. There is no alcohol or food service, but the option of BYO food & beverage was offered to the residents.
- The weather was overall poor which probably impacted spectator numbers.
- The livestream service was improved on the previous year as we were able to set up in a more elevated position.

Incidents/Recommendations for 2023:

- Wesley & St John's College were unable to field a front row for the first 2 rounds, resulting in forfeiting competition points but agreeing to play 15-a-side friendly fixtures.
- SUSF strongly advises that the College Heads meet well in advance of the 2023 tournament to discuss the continuing issues surrounding the safety of scrummaging and being unable to field a suitably trained front row (including reserves).
- Remain a sanctioned event for safety of players and referees.
- Ensure draw is circulated to SUFC well in advance to create a playing schedule that ties in nicely with the Shute Shield draw to maintain player welfare and recovery.
- Crowd control was difficult compared to previous years. Many spectators ended up sitting on the steps of the grandstand aisles and ignored instructions to move. SUSF recommends utilising the portable seating on the Eastern side of the ground to help manage this.
- We had one unfortunate verbal incident between two coaches of rival Colleges. This was dealt with by SUSF officials. Having an SUSF official on the field instead of in the grandstand will ensure these situations are dealt with in a more efficient manner.

Incidents/Recommendations for 2023:

- As luck would have it, the final round of fixtures coincided with a National Tertiary Education Union protest. This caused significant disruption to the final day’s play, delaying the fixtures by nearly two hours. This delay could have been avoided if the games were scheduled to be played on a College-owned ground instead of the SUFG. Something to consider moving forward if we are aware of future protests.
- There were several consistent complaints from various Soccer captains regarding the quality of refereeing. SUSF has engaged the same refereeing company for many years. It is probably time to explore the market and source some competitor quotes.
- As per last year, Rosebowl soccer captains requested that their game lengths be the same as the Rawson fixtures. This needs to be discussed and voted upon at the 2023 AGM and a final decision needs to be made by the College Heads.
- As it stands, there are no guidelines surrounding the sanctioning of players receiving red cards. SUSF recommends that the College Heads decide how to deal with these instances going forward. SUSF recommends that one-match bans should be handed down if a red card is received.

Incidents/Recommendations for 2023:

- Feedback from bench officials includes removal of the shot-clock. It does not get used in a strategic capacity at this level (in Rawson or Rosebowl). It is an opportunity to save money on bench officials going forward if it is not used.

Incidents/Recommendations for 2023:

- The wet weather made things very unpredictable regarding playing venues. Ensure communication channels are strong between the SUSF Grounds team, Michael Culkoff and external stakeholders (St Andrew's Cathedral School) on the day of competition. If SACS are booked in at SUSAC and Intercol needs to be moved there at late notice, they are understanding of the situation. They just need as much notice as possible. Always try and make a decision by 7am.
- Brent Hartley (SUSF Tennis Program Manager) and Rouna Daley (SULTC) are extremely helpful in setting up on the day.
- Ensure volunteers from the convening College are punctual to assist set-up and pack-down of nets as well as clean up any rubbish left behind.

Incidents/Recommendations for 2023:

- Continue to engage Sydney Uni Athletic Club again to officiate the event.
- I think it would be great to include a mixed 4 x 400m relay event into the schedule. Perhaps this could be introduced as a "social event" as per the third swimming relay and mixed eight race at the regatta. Something to discuss at the 2023 AGM.
- Advise Intercol sport reps and athletics captains to read the competition rules in The Constitution before the event.
- Remind Intercol Sport Committee that no commercial food is to be brought into Sydney Olympic Park.
- Revert to the traditional twilight schedule as opposed to the 2022 daytime event.
