COMPETITION OVERVIEW

The tournament will be conducted in accordance with FIFA Futsal Laws of the Game. Each residence is eligible to enter teams in both of the following competitions:

- Men's Competition – Thomas Whalan Cup
- Women's Competition – Liane Tooth Cup

TEAMS & REGISTRATION

- Sydney Uni Sport will contact team captains regarding the number of registered players.
- If a residence has enough players for multiple teams, captains are responsible for team allocations before the competition.
- Each team can have 12 players registered for a match, with 5 players on the field at any given time, including the goalkeeper.
- A match cannot start or continue with fewer than 3 players.
- Players are free to switch positions throughout the game.

COMPETITION FORMAT

- Matches consist of two 12-minute halves, with a 2-minute halftime break.
- The draw will be created based on the number of registered teams.
- Once finalised, the draw will be available on the website and sent to team captains prior to the competition.
- Goalkeepers' boundary consists of the Netball goal area (large semi-circle).
- Unlimited number of substitutions are allowed.
- Substitutions can be made between goals or in a break of play with the acknowledgement of referees.
- All substitutions are to remain in the technical area, throughout the duration of match (unless entering the field of play).
- In the event of a draw in the Finals series extra time of 4 minutes will be added. Teams shall continue to play towards the same goals as in the second half. If it is still tied after extra time, the winner will be determined by a 5-person penalty shootout; if tied after 5, it will be sudden death.
- Teams unable to field a team due to late arrivals past 5 minutes will result in a forfeit match.
- All other futsal rules will remain the same.

SCORING SYSTEM

- Win = 3 points
- Draw = 2 points
- Loss = 1 point

Teams progressing to the finals (on the last day of competition) will be determined by round performance. If teams are tied on points, goal difference will be used as the tiebreaker.
